WS3 Series

SUMMARY

Let us take the privilege of introducing ourselves. **Alismail Office System** is one of the pioneers in manufacturing & fabricating of steel furniture in kingdom of Saudi Arabia.

In 1972, the company began operations in a modest Factory in Dammam. Forty years later, **Alismail** has become a major manufacturing company due to the remarkable growth it experienced from the start.

Alismail Office System is now considered one of the biggest and more advanced company, and leader in producing top of the line and quality Steel Furniture :
