Professional Staff Accommodation

A complete furniture and interior solution created for modern staff residences, combining residential comfort, practical functionality, efficient space planning, and a refined professional character. Designed for doctors, nurses, healthcare professionals, and other essential staff.

Compact Living — 24 m²

Staff Apartment, A carefully planned 24 m² accommodation solution that maximizes every square meter while providing the essential functions of sleeping, working, storage, and personal living.

A Private Room
Designed for Work & Rest

The Arrival Experience

A practical entrance and vanity solution designed to keep everyday essentials organized while creating a warm and welcoming first impression. Integrated storage and coordinated finishes maintain a clean, residential appearance.

Smart Storage for Everyday Living

Compact storage solutions make efficient use of transitional spaces. Shelving, drawers, hanging areas, and entry furniture provide practical organization without compromising the clean architectural character of the apartment.

A More
Expressive Living
Environment

Enhanced Living — 45 m²

Staff Apartment, A larger 45 m² accommodation typology offering greater flexibility for shared or individual professional living, with dedicated sleeping, working, dining, kitchen, and storage functions.

Shared Dining, Comfortable Living

A functional bedroom and workstation arrangement designed for professionals who may need to study, prepare reports, or complete administrative work outside working hours. Integrated storage keeps the room organized and visually calm.
