Enclosed Storage System

Positioning MATRIX Systems is a High-end medical furniutre system under brand StNEX

Product Concept Create and develop a more advanced storage and transportation system that is safer, more integrated, and more intelligent, enabling seamless medical care. Promote a low-carbon ecosystem, optimize medical space management, and create a safer, more efficient, and more human-centered healthcare environment.

1. Mobile Enclosed Cabinet

The Mobile Enclosed Cabinet provides secure, organized, and flexible storage for medical supplies, instruments, and healthcare essentials. Featuring a durable Steel body, lockable doors, adjustable storage compartments, and smooth-rolling casters with brakes, it supports efficient inventory management, easy access, and safe transportation within hospitals, clinics, and other healthcare environments.

Single
Mobile Enclosed Cabinet
MXGRS152A
822x658x1635mm

Double
Mobile Enclosed Cabinet
MXGRS152B1
1487x658x1635mm

1. Welded Cold-Rolled Steel Body
2. Cam Lock
3. Catheter Shelf
4. Aluminium Integrated Moulding Handle
5. Steel Partition Plate
6. ABS Medicine Baskets 100mm
7. Storage Partition Plate
8. Label Card
9. ABS Medicine Box 200mm
10. PP Sliding Door, with ABS Groove
11. Four Double-Side Castors with Brake
12. High-Strength Bottom Base with Bumper

2. Mobile Enclosed Trolley

Designed to improve clinical workflows, the Mobile Enclosed Trolley combines secure storage, flexible organization, and smooth mobility. Its modular interior accommodates medicines, instruments, and medical supplies, while lockable access, removable baskets, and configurable accessories simplify handling and replenishment. Available in versatile configurations for medication delivery, treatment, and workstation use, it adapts to diverse healthcare needs.

Standard Accessories

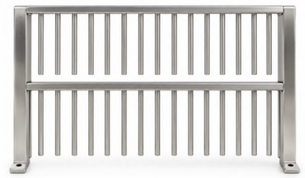

Catheter Shelves

Catheter Shelf
MXPRS152A
L544xW400xH20mm
- Three-section soft colsing slide rail
- Stainless Steel Material

Catheter Shelf
MXPRS152B
L500xW70xH115mm
- Stainless Steel Material
- Three-section soft closing slide rail
- 5 hooks

Catheter Shelf
MXPRS152D
L544xW400xH20mm
- Stainless Steel Material
- Three-section silent soft closing slide rail
- Two rows design

Catheter Shelf For trolley and rack
MXPRS152E-1
L544xW400xH110mm
- Stainless Steel Material
- Three-section silent soft closing slide rail
- Two rows design, 8 hooks, 4 label cards
- With handle

Catheter Shelf
MXPRS152F
L544xW469xH110mm
- Stainless Steel Material
- Three-section silent soft closing slide rail
- Two rows design, 6 hooks, 3 label cards
- With handle

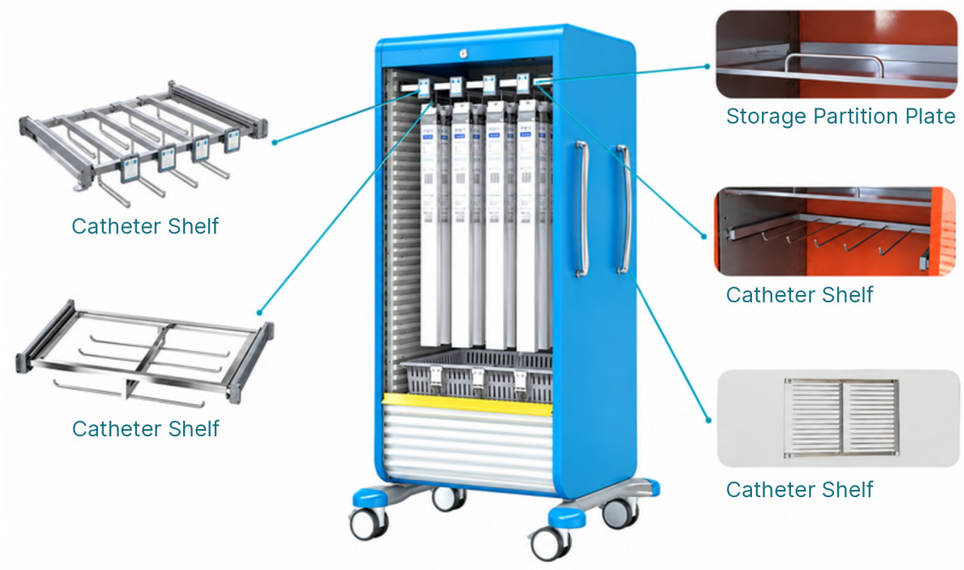

Partition Plates

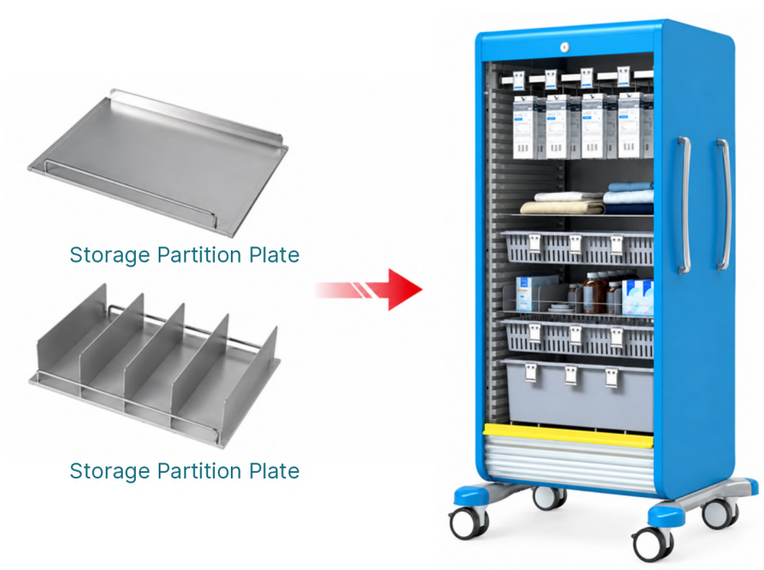

Storage partition plate
MXPRS152K
L600xW400xH100mm
- Steel with Electrostatics Spraying
- Four partitions

Storage partition plate
MXPRS152J
L600xW400xH50mm
- Steel with Electrostatics Spraying
- With handle
- Back rim

Standard Accessories

Medicine Baskets

ABS medicine Basket
MXPRS154M
L600xW400xH50mm
- Once-forming ABS Material
- Pure transparent
- With PC dividers and label cards

ABS medicine Basket
MXPRS154N
L600xW400xH100mm
- Once-forming ABS Material
- Pure transparent
- With PC dividers and label cards

ABS medicine Basket
MXPRS154O
L600xW400xH200mm
- Once-forming ABS Material
- Pure transparent
- With PC dividers and label cards

ABS medicine Basket
MXPRS154K
L600xW400xH100mm
- Once-forming ABS Material
- Gray color
- With PC dividers and label cards

Basket
MXPRS152M3
L600xW400xH200mm
- Stainless Steel welded Material

Basket
MXPRS152M4
L600xW400xH200mm
- Stainless Steel welded Material

Medicine Boxs

ABS medicine Box (S)
MXPRS154B
L600xW400xH50mm
- Once-forming ABS Material
- Blue translucent color
- With PC dividers and label cards
